

## Waste Bins / Waste Containers

### Waste bins - 3 standard sizes and individual height

For radioactive waste when working with syringes and needles. Developed to combine user-friendly functionality with high safety.

Round waste bins come in three standard sizes with an outer diameter of: 130 mm, 180 mm and 260 mm. Height can be adapted individually to customer requirements, ensuring that the yellow waste bucket for syringes and needles fits perfectly in the container.

#### Small

- Shielding: 3 mm Pb
- Outer diameter: 130 mm  
Inner diameter: max 106 mm
- Weight: 4 - 6 kg
- Height: Individual
- 2 - 3 l.

Item number: 101.080.001.000

#### Medium

- Shielding: 3 mm Pb
- Outer diameter: 180 mm  
Inner diameter: max 147 mm
- Weight: 6 - 8 kg
- Height: Individual
- 3 - 5 l.

Item number: 101.080.002.000

#### Large

- Shielding: 3 mm Pb
- Outer diameter: 260 mm  
Inner diameter: max 235 mm
- Weight: 8 - 10 kg
- Height: Individual
- 10 - 15 l.

Item number: 101.080.003.000

## Waste Bins / Waste Containers

### Floor standing

Solid waste container in brushed stainless steel. Designed to protect the user against radioactive radiation. Can also be bolted to the floor in a fixed position.

Easy to open by pushing the lid to one side. The lid can rotate through 90 degrees.

Height can be adapted to customer-specific requirements.

### Specification

- Shielding: 3 mm Pb
- Outer height: 600 mm
- Outer diameter: 305 mm
- Inner diameter: 250 mm
- Weight: 80 kg
- 3 mm lead shielding
- Brushed stainless steel
- 20 - 30 l.

Item number: 101.080.006.000

### Square

Developed to combine user-friendly functionality with high safety.

These square waste bins protect the user against radioactive radiation.

The model can be supplied with customer-specified measurements, ensuring that the yellow plastic waste bucket for syringes and needles fits perfectly in the container.

### Specification

- Shielding: 3 mm Pb
- Height: Individual
- Width: Individual
- Weight: Individual

Item number: 101.080.008.000

### Floor standing with pedal

The floor-standing model is fitted with a pedal for quick, practical opening.

Protects the user against radioactive waste when working with syringes and needles.

Can also be supplied with customer-specific measurements.

### Specification

- Shielding: 3 mm Pb
- Height: 410 mm
- Outer diameter: 260 mm
- Inner diameter: 230 mm
- Weight: 21 kg

Item number: 101.080.005.000
